- Lead member of Almuni Student Council

SEMINARS / TRAININGS / WORKSHOPS

Machine Learning with \python Institute Name: Foxmula

Feb. 1, 2021 - May 1, 2021

Key Skills: Python Machine Learning Regression Models Classification Deep Learning

In this Training, firstly I learned the python language from the root by online tutorials and using annaconda navigator, learned about python libraries, functions, variables, file handling, data frames everything deeply. Then learned about machine learning, what is machine learning and its applications and its role in our daily life. Then its types, various methods of finding outliers etc, also implemented it in jupiter using excel or csv file , then about logistics regression, how to implement, train and test data, analysis of data, data mining, underfitted data, overfitted data, how to solve underfitting and overfitting, learned about different formulas of maths, linear regression

Structured Query Language Course

May 29, 2020 - May 29, 2020

Institute Name: Voksen Corpoorate Training

Key Skills: Data Database RDBMS SQL Normalization Entity Framework MySQL

CO-CURRICULAR ACTIVITIES

- Debate
- Organizing Events
- hosting Events

- Fashion
- Public Speaking
- Anchoring
- Organizing
- Volunteering
- Student council
- Fitness
- Group Discussion

EXTRA CURRICULAR ACTIVITIES

- Singing
- Shopping

PERSONAL INTERESTS / HOBBIES

- Fitness
- Exploring new things
- Cooking
- Fashion
